Re: Dues Increase Effective July 1, 2024

Dear Brothers and Sisters:

In addition to the dues increase issued by the Brotherhood of Locomotive Engineers and Trainmen ("BLET") National Division and certain State Legislative Boards, which are tied to the gross wage increases under the national agreement, our General Committee of Adjustment ("GCA") dues rate will also increase July 2024.

Pursuant to Article 10(b) of the BLET GCA BNSF-MRL Bylaws, which states:

Effective July 1, 2023, all members ranked on the engineer's seniority roster shall pay \$46.00 per month. Members whose names do not appear on the engineer's seniority roster shall pay \$40.00 per month. **These assessments will be increased by \$1.00 per month on July 1 of each following year.**

Accordingly, effective with your Dues Remittance Report for July 2024, GCA BNSF-MRL dues will increase as follows:

Dues	Engineers	Trainmen
Current GCA Dues Rate	\$46.00	\$40.00
<u>Increase Effective July 1, 2024</u>	<u>\$1.00</u>	<u>\$1.00</u>
Total	\$47.00	\$41.00

The GCA will configure the dues package in the UnionTrack system for each member to reflect the aforementioned GCA dues increase on the July 2024 Monthly Membership Report. However, it is your responsibility to make the required adjustments to the June second-half dues withholdings in BNSF's eDeductions payroll system.

Fraternally yours,

Luke Myers

Secretary-Treasurer
