## Re: Cass Lake Short Turn Service

Dear Brothers and Sisters:

A few crews have been called for "Short Turn Service" out of the hotel at Cass Lake to pull ECOB empties to Cass Lake, and then deadhead to Superior.

If you are called for this "Short Turn" service please claim pay as per our "Short Turn Trip Rate Agreement".

Your trip is 95.8 miles for the short turn out of MP&L + 157.2 miles for the deadhead home = 253.0 miles.

Claim all MS miles over the 147.0 short turn miles just as you do on the EVIL trains. Therefore your MS miles = 106.0 miles.

Do not forget to claim all overtime after 8 hours 7 minutes on duty.

Fraternally yours,

Bruce Carlson  
Local Chair BLET Division 290
